2. Register Account/Sign Up

Click [Sign up here](#) button. The registration form (Image 2) will be displayed.

The image shows a registration form titled "PNB" at the top. The form contains the following fields and elements:

- Full Name (As per NRIC): Text input field
- MyKad Number: Text input field
- Email: Text input field
- Confirm Email: Text input field
- Password: Text input field
- Confirm Password: Text input field
- Select a Secret Question: Dropdown menu with "Select a secret question" as the selected option
- I agree to the [terms and conditions and privacy policy](#): Checkbox
- Already registered?: Link
- REGISTER: Button

Image 2

2.1 Your registered email address will serve as your username for all future logins. Please ensure that you remember both the email and the password you have set during registration.

2.2 Please enter your full name as per MyKad (NRIC), in capital letters and your MyKad Number using the standard format: [000000-00-0000](#)

Important Notice: You cannot update or change your registered name and MyKad number after registration. Please ensure that the details you provide are accurate before submitting.

2.3 Your password must meet the following criteria:

- Must be **at least 12 characters** long.
- Include **uppercase and lowercase letters**.
- Include at least **one number and one special character**.

2.4 You may pause your application process at any time. Simply log out and, when ready, log back in using your registered email and password to resume your application from where you left off.

2.5 Fill up all mandatory (*) fields and click  button.

3. Verify Your Account

3.1 To complete your account registration, please re-enter the email address you used earlier (Image 3). A 6-digit verification code will be sent to that email (Image 4).

3.2 Enter the code into the designated field and click the  button. You will be redirected to the login page (Image 5). Enter your registered email and password to log in and proceed with the application.

Important notice: It is strongly advised to complete this verification immediately. Failing to do so will result in an unverified account; you will need to log in and request a new verification code to complete the process.
